Letter dated 11 April 2000 from the Chargé d'affaires a.i. of the Permanent Mission of Iraq to the United Nations addressed to the Secretary-General

On instructions from my Government, I have the honour to transmit to you herewith a letter dated 10 April 2000 from Mr. Tariq Aziz, Deputy Prime Minister and Acting Minister for Foreign Affairs of Iraq. It concerns the armed aggression launched by the Turkish armed forces against towns and villages in northern Iraq on 1 April 2000, which caused enormous losses in terms of lives and property to Iraqi citizens belonging to our Kurdish people in the area. The Minister urges the United Nations to meet its responsibility, as stipulated in the Charter, to prevent any continuation of Turkish intimidation and aggression.

I should be grateful if you would have the present letter and its annex circulated as a document of the Security Council.

Annex to the letter dated 11 April 2000 from the Chargé d'affaires a.i. of the Permanent Mission of Iraq to the United Nations addressed to the Secretary-General

Further to the letter dated 24 December 1999 addressed to you by the Minister for Foreign Affairs of Iraq (S/1999/1279, annex), I should like to call your attention to the fact that on 1 April 2000 the Turkish armed forces, supported by fighter aircraft and helicopters and joined by the units maintained in the area following previous hostile operations, engaged in another act of armed aggression against northern Iraq. They entered along three axes at the same time: one force of 1,500 troops by way of Çukurca-Kani Masi, another force of 1,500 by way of Şemdinli-Kani Masi, and a third force of 1,500 by way of Ibrahim al-Khalil towards Çift Naban mountain north-east of Zakho. Enormous losses were caused, in terms of lives and property, to Iraqi citizens belonging to our Kurdish people in the area, to say nothing of the damage done to public property.

This act of aggression by Turkey is the latest in a series of recurring attacks by its forces against Iraq's territory, and it coincides with the hostile military actions being perpetrated against the country on a daily basis by the United States of America and the United Kingdom.

The ongoing series of hostile operations and the flagrant violations of Iraq's territory and airspace that are being committed by the Turkish armed forces only confirm Iraq's repeated warnings against the consequences of the duplicitous policy being pursued by Turkey vis-à-vis the anomalous situation in northern Iraq and against its participation in perpetuating that situation for the implementation of the United States and British scheme to use its territory as a base from which to impose the no-flight zones in northern and southern Iraq and prevent the restoration of legitimate authority there.

In condemning the renewed Turkish aggression, the Government of Iraq calls upon the Turkish Government to withdraw its invading forces from Iraqi territory. It reserves in full its right to determine a time and a place to respond to this bellicose act, and it affirms the right of the Republic of Iraq, in accordance with the Charter of the United Nations and international law, to ensure that Turkey bears full international responsibility for the consequences of its recurring aggression, its violations of Iraq's sovereignty and its exposure of Iraq's security and territorial integrity to the gravest risks.

As I express the hope that the United Nations will fulfil its responsibilities as stipulated in the Charter and will halt the constant intimidation and aggression to which my country is being subjected, I ask you to do your utmost to urge the Turkish Government to comply with the provisions of the Charter of the United Nations and the norms of international law by withdrawing its armed forces from Iraq's territory forthwith.

(*Signed*) Tariq **Aziz**
Deputy Prime Minister
Acting Minister for Foreign Affairs
